active and generally strong. To some extent its nitial tone was owing to the London market, which was likewise strong and active on account of this morning's favorable news regarding the garding the defeat of the British forces caused some covering on short contracts put out on these reports. Aside from this, there was little change of any consequence in conditions over

change of any consequence in conditions over night.

As braring upon particular stocks, the most important development was that in relation to the acceptance by the Rapid Transit Commission of the surety provided by the successful bidder for the construction of the underground railroad. On this account Manhattan opened lower but soon railfied, while Metropolitian, on the other hand, was decidedly strong on the opening. In the later case there were rumers that the next dividend on the stock would be made at an infinereased sate.

Sugar Refining was an active feature of the market and was feverish, opening higher but later on dropping quite rapidly. Misgivings regarding the dividend again accounted for the stock's errou's course. The dealings were very well distributed, interests being about evenly divided between the industrials and the railway lists. Union Pacific was a feature of the latter in respect of activity, and it fluctuated widely in the stock's effect of the expected action of the directors on the dividend today. A fair amount of busi

Metropolitan continued the important advance begun yesterday, and before 11 o'clock it sold as high as 181. On the other hand, Brooklyn Rapid Transit and Third Ave-nue both showed signs of weakness. Despite this fact, the opinion is gaining ground in well in-formed quarters that the Metropolitan and Toird Avenue are very those together in their interests. The feeling regarding traction stocks is bullish.

Monday is usually the bliggest day and Friday falls short of the others, showing the superstition regarding that day is not yet dead.

dead.

In Chicago the average age at which men marry is twenty-fr., while the women average twenty-one years. Italians and French-Canadians marry younger than any other class of people. Of late Poles and Bohemians have been in the lead, with Germans running a close second.

ond.

Monday last, about 11:25 o'clock, an enormously fat man was just getting his license. He was short, but so broad that he was ponderous. He was in high good humor, and gave an expansive grin that showed three front teeth missing and the rest of the set disdainful of dentifrice. Yet, with no physical attractions whatever, he has succeeded in gaining a wife. Whether he had money or only good nature to reche had money or only good nature to rec-ommend him a stranger could not guess, but by appearances, if one were betting, the hazard would be with the latter. Next came a Pole, who brought an interpreter along. He said he was twenty-three, but he certainly looked much older. If he had been a female the supposition would have been that five or six years had been

have been that ave or six years had been knocked off. He was stupid fu appearance and slow to understand. He was followed by a young man of twenty-four, so handsome, neat, and intelligent looking that one would think Maude, aged twenty, was a very lucky girl. If he is as good as he is handsome she will be very happy. The next was another Pole, and his girl and the sext was another Pole, and his girl was only sixteen. He was with difficulty made to understand that the girl was under age, and that a parent's consent was necessary before "the twain could be as one." No Red Tape in the Way of Securing
Licenses.

(From the Chicago Inter-Ocean.)
One of the easiest things in Chicago is the getting of a marriage license. All you have to do is to go to Mr. Salmonson in the City Hall and ask for it. There are no restrictions except to be of age, and the age is placed so young that that no one could object. No red tape: no explanation EASY TO MARRY IN CHICAGO. 40 mark. Then one or two more

restrictions except to be of age, and the age is placed so young that that no one could object. No red tape; no explanation of religion, race, or previous condition of servitude. Simply state your age and that of the woman, names and residences; take off your hat and swear "So help me God," and so forth; get your license, pay for it at the cashier's desk, and go forth to become a benedict, to lead your bride, blushing or otherwise, to the altar; home again, and then commences the matrimonial routine.

Mr. Salmonson has issued marriage licenses for eighteen years, and pleased—at least temporarily—on an average of 15,000 couples a year. There are more foreigners couples a year. There are more foreigners couples a year. There are more foreigners to the advantages.
